Fire Systems Permit Application Submittal Checklist

☐ Hydraulic Calculations

☐ Manufacturer's data sheets for all sprinkler system components including installation requirements

☐ 2 Sets of Floor Plan(s) Including:

- Location of all walls and partitions
- Identify the use of each room
- Location of sprinkler heads, bracings and hangers
- Pipe run and pipe size
- Sprinkler density calculations
- Information as it will appear on the hydraulic plan
- All drawings and calculations should be stamped by a current certified Washington State Sprinkler Designer
- Gross floor area of the building
- Gross floor area of tenant space

I hereby acknowledge that I have read this application and certify under penalty of perjury under the laws of the State of Washington that the above answers are true and complete to the best of my knowledge. I agree to comply with all current codes, laws, regulations and permit requirements related to this project. I hereby grant to the City of Toppenish a right to enter onto the premises as described for this permit application to make such inspections and tests as may be required.
