

**CITY OF TOPPENISH
NOTICE OF APPLICATION
SEPA REVIEW**

NOTICE OF APPLICATION: On Friday June 3, 2016 the City of Toppenish received an Environmental Checklist from Meier Engineering on behalf of the Toppenish School District pursuant to the State of Washington Environmental Policy Act (SEPA). The application was determined to be complete and ready for processing on June 6, 2016 and assigned file No. EC-03-2016.

NATURE OF APPLICATION: The applicant proposes the construction of two parking lots each approximately one acre in size. One lot is appurtenant to Toppenish Preschool, the other to Kirkwood Elementary School. The Toppenish Preschool lot will have a capacity of 82-stalls; the capacity of the Kirkwood Elementary School lot will be 73-stalls.

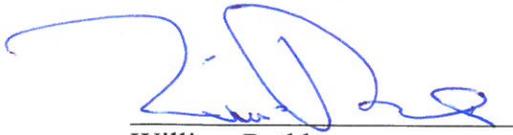

PROJECT LOCATION: Toppenish Preschool is located at 407 S. Juniper Street; Kirkwood Elementary School is located at 403 S. Juniper Street, Toppenish Washington. Both schools are located on Yakima County Parcel No. 201004-31004.

OTHER INFORMATION Environmental Documents on file consist of the Environmental Checklist, and site plan. A decision on this application will be made within 120-days from the date of completeness. The application and complete case file is available for review at Toppenish City Hall, 21 West First Avenue, Toppenish, WA 98948. A copy of the application and other information is posted on the Public Documents page of the City of Toppenish website at www.cityoftoppenish.us.

APPLICATION COMMENT PERIOD The environmental checklist will be subject to a 14-day comment period concluding on June 23, 2016. At the conclusion of the comment period the responsible official consider all comments received and make a threshold determination in accordance with the State Environmental Policy Act (SEPA). This process will determine whether a Determination of Non-Significance, Mitigated Determination of Non-Significance or Determination of Significance will be issued for this project. Written comments should be sent to:
