

It's never too early.

Plan today for your child's education.

As a parent, you can help your child by starting a college savings plan early.

Plan now, and you can get ahead of future college, university or technical school costs in your child's future. Start saving, and your child will grow up knowing that college can be part of his or her dreams.

WA529 makes it easy to save. Washington's 529 plans help families save for college by offering two flexible savings options.

Once you open an account, you can add money to it whenever you want. Even small amounts add up over time. You can also save through regular monthly payments. Either way, your child will thank you for years to come.

Education helps build success for a lifetime.

* Earnings on non-qualified withdrawals may be subject to federal income tax and a 10% federal penalty tax, as well as applicable state and local income taxes. Tax and other benefits are contingent on meeting other requirements and certain withdrawals are subject to federal, applicable state, and local taxes.

GET and DreamAhead are qualified tuition programs sponsored and distributed by the State of Washington. The Committee on Advanced Tuition Payment and College Savings administrators and the Washington Student Achievement Council supports the plans. DreamAhead investment returns are not guaranteed and you could lose money by investing in the plan. If in-state tuition decreases in the future, GET tuition units may lose value.
