

City of Toppenish

City of Toppenish - Internal/External Recruitment Wastewater Treatment Plant Operator I or OIT

This position can be filled as an Operator-in-Training (OIT) or Operator I, depending on experience, qualifications and certification held. The position is responsible for the operation and maintenance activities within the general areas of wastewater treatment plant, sewer collection system, sewer lift stations and other public facilities. The position will require a Washington State Class B Commercial Driver's License (CDL) with an "NT" endorsement without airbrakes restriction, within 3 months of hire.

Please see Job Description for additional position information.

The City offers excellent benefits:

- Monthly Salary Range (OIT): \$3,655
- Monthly Salary Range (WWTP I): \$3,838 - \$5,144 (2022 Rates/DOE)
- 90% paid Medical for employee and qualified dependents
- 100% paid Dental and Vision for employee and qualified dependents
- Paid Vacation, Sick Leave, and Holidays
- Longevity after 2 years
- 40-hour vacation cash-out per year
- Retirement Contribution
- 2.5% Interpreter Incentive Pay (Spanish)

Occupational Certificates/Licenses: Because of the time constraints required to obtain the different certificates, an applicant cannot qualify for Operator Group I without the required time on-the-job experience and completed OIT.

How to Apply:

The job description and application are posted on the City's website: www.cityoftoppenish.us. Please submit the following documents:

1. Application
2. Cover letter
3. Resume

Mail: Toppenish Human Resources, 21 West First Avenue, Toppenish, WA 98948

E-Mail: HumanResources@cityoftoppenish.us

Position Closes: Monday, June 6, 2022, at 5:00 p.m.

The City of Toppenish is an equal opportunity employer.
