Yakima County Awards ARPA Funding for Jackson & Juniper Projects

The mad dash lasted 90 seconds during the City of Toppenish Annual Easter Egg Hunt!

All Hands on Deck at the Toppenish Pool!

Did you spend some of your summer youth dipping and diving at the Toppenish community pool? The City of Toppenish is looking for help this summer to carry on that tradition at the Toppenish Pool.

There are current openings for Pool Manager, Cashiers, Head Lifeguard and Lifeguard positions.

These paid seasonal positions could be a perfect fit for a retired person or a college student looking to help build a resume.

Applications can be found online at www.cityoftoppenish.us/employment-opportunities you can print, fill out and return it to City Hall at 21 West 1st Avenue Toppenish Wa. 98948, or fill it out electronically and email to:

HumanResources@cityoftoppenish.us.

Come help be part of the tradition of the Toppenish pool for future generations!

K-9 program in the works for Toppenish PD

Police Chief John Clary is excited to announce that the department is starting a K9 program. This program will significantly benefit our community and the surrounding region.

We are in the early stages of developing the program and still have a lot of work to do. We have received a large amount of support, including help from the K9 Foundation Yakima Valley. The Foundation is a nonprofit organization that provides support for local first responder working dogs.

If you want to help support this important cause, donations can be made via mail at PO Box 2463, Yakima 98907, in person at 3701 Fairbanks Ave, Unit E16, Yakima 98902, or their Facebook page [K9 FoundationYV](#).

If you would like to donate specifically to the Toppenish Police K9 program, please note this when submitting your donation to the K9 Foundation Yakima Valley.

Public Works crews prepping and painting the Pool for a Summer of Pool Time Fun!

COMMUNITY IN BOX

Welcome to the Force
Officer Jose Sanchez-Castro

New Fire Truck "On the Production Line"

The Fire Department is getting the first looks at the City's new fire truck now under construction. True North Emergency Equipment Inc. is building the new engine and the photos represent a section of the aerial body under construction!

Follow the City on Facebook and Twitter for continued updates on the build process.
