The City offers Customized Engraved Bricks for Sale

Bricks are engraved on site within the Plaza due to them being permanently fixed in location. Originally both small and large pavers were also offered but those are sold out and no longer available. The costs for the 3 ½" x 7" bricks are \$100 each.

Brick - One character per space (including spaces)

Examples:

Please note: Pavers are engraved when sufficient orders have been made to secure services. This can take 3 months or more depending on interest.

Full payment must be made prior to ordering the engraving. The City cannot hold bricks without full payment. Once the order has been placed the City is under no obligation to refund the purchase but will work with the applicant where possible. The signature of the applicant below acknowledges these conditions.
